

4/20/22: COVID Test Kits: Every home is eligible to order 2 sets of 4 free at-home tests. We recommend that everyone has an at-home test, just in case you develop any COVID symptoms, for screening purposes. Please go to www.covid.gov/tests to order the kits or call 1-800-232-0233. These are FREE. If you suspect you may have COVID, we will still need confirmation results from a certified lab. Any questions, please call the office.
