

2/14/22: The Pa. Dept of Health has clarified that to be considered up-to-date with your vaccinations you must have the primary 2 shots or 1 Johnson & Johnson shot and a booster dose or any recommended third doses for immunocompromised people. If you do not have all 3, you are considered unvaccinated for determining quarantine, isolation and return to work criteria. If you want to opt out of text message, please call the office at 570-385-2818.
